State cross country meet good for some, not for others

Palo Alto High's boys' cross country team finished 13th in the state Division I cross country race at Woodward Park on Saturday. It wasn't a disaster, though the race might have gone a different way had everyone been healthy.

Vikings' senior Kent **Slaney** was right where he wanted to be during the first mile, setting himself up for a top 10 finish. That's when things started feeling strange. He still managed to finish the race, though it was in the top 100, nearly two minutes behind the winner.

Bellarmino's Meika Beaudoin-Rosse, who edged **Slaney** at the Central Coast Section finals, placed third overall. Naveen Pai was Paly's top runner, placing 48th in 16:07.4. Sophomore Henry Saul placed 65th in 16:15.8.
